## Louie Foxx – Long Bio

Louie Foxx is the consummate kid that never grew up, and it's evident as you watch him present his original illusions for audiences of all ages. He is living his childhood dream of being a magician!

As a kid he realized he excelled at all the things that adults told him were a waste of time. Instead of playing baseball in high school, Louie built himself a rickety table, rode the bus into downtown to perform magic tricks on the street corner and got paid by "passing the hat". He's come a long way since then, having performed in all 50 states and six countries!

The **Society of American Magicians** called Louie, "A Variety Artist in the truest sense of the words!" He has also been featured four times in the prestigious **Linking Ring Magazine** which is a magazine for the 13,000 members of the International Brotherhood of Magicians!

Louie is also a **Two Time Guinness World Record Holder**, has been on **NBC's America's Got Talent**, and is a regular on **The CW Network's Masters of Illusion!**

Louie is currently enjoying life as a rockstar dad. He now has a valid excuse to go to the zoo once a week and build forts out of the sofa cushions!
