

# LOUIE FOXX

## Show Requirements

The One-Man Side Show can be customized to work in most performing areas, please contact Louie to discuss your space if it doesn't conform to these:

### Space Requirements

- 12 foot wide by 10 foot deep (minimum) performing area
- A raised stage is preferred if the audience is seated at tables

### Audio Requirements

- Two XLR inputs (one for Louie's wireless mic and the other for his music)
- A wired handheld mic in a straight stand.
- Louie can arrange for a sound system to be provided if needed if discussed prior to the event.

### Audience Seating

- Chairs should be seated in rows with a center aisle facing the performing area
- If seated at tables, please have the audience turn their chairs prior to the performance start time

### Before the Show

- Have the performing area clean and ready for Louie to set his props at least one hour prior to show time, or at the prearranged call time.

### Starting the Show

- Make sure the audience has finished eating prior to the start time and the tables are cleared, or arrange for the tables to be cleared after the show has finished.
- Drinks are OK to be served during the show
- Use the provided introduction (see below).

### Introduction

We're in for a treat tonight!

We have an award winning magician and two-time Guinness World Record Holder!

You've seen him on The CW Network's Masters of Illusion and NBC's America's Got Talent!

Please welcome Louie Foxx!
